Normative reference	<p><b>For FM/COC certificate holders:</b> FSC-STD-01-001 V4 Criterion 8.3</p> <p><b>For FM/CW certificate holders:</b> FSC-STD-30-010 V2-0 Clause 1.4</p> <p><b>For COC certificate holders:</b> FSC-STD-40-004 V2-1 Clause 5.2.1</p>
Effective date	<b>DRAFT VERSION</b>
Background	Accurate claims are the basis of the entire FSC certification system. The OCP ensures the integrity of the FSC brand by reducing the risk associated with inaccurate product claims. Due to significant growth of FSC certificates, FSC is introducing the OCP to ease administration, modernize systems and allow for more timely and accurate reporting.
Advice	<p>1 From <b>01 April 2014</b>, all FSC certificate holders shall:</p> <ul style="list-style-type: none"> <li>a) Register to use the OCP;</li> <li>b) Confirm that organization's certificate data (for example: legal name, contact details and product groups) in the CH's OCP account is correct and up-to-date; NOTE: The certificate data will be displayed in the organization's OCP account. If information is incorrect, the organization can make changes to their certificate data in the OCP.</li> <li>c) Issue connection requests to all FSC certified suppliers of the organization; and</li> <li>d) Accept appropriate connection requests from buyers of certified products from the organization within one (1) calendar month.</li> </ul>
